THOUGHT OF THE DAY **MATERIAL THINGS** One of the signs that a community is alive can be found in material things. Cleanliness, furnishings, the way flowers are arranged and meals prepared, are among the things which reflect the quality of people's hearts. Some people may find material chores irksome; they would prefer to use their time to talk and be with others. They haven't yet realized that the thousand and one small things that have to be done each day, the cycle of dirtying and cleaning, were given by God to enable us to communicate through matter. Cooking and washing floors can become a way of showing our love for others. It is celebration to be able to give.

ELEVATE All are invited to an evening of music, video, presentations, and gratitude at **Glad Tidings Church Auditorium** (1101 Regent St. St.) this Sunday, June 8th at 6:30 pm. to mark the closing of **ELEVATE – LOVE IN MOTION.**

All are invited to **"Cemetery Day"** being held on **Sunday June 22** from 12 noon to 3:00 pm. at St. John's Cemetery. There will also be an information table providing a book on past burial records – cemetery layout of sections as well as City plot prices and regulations. This is also a thank you to all who have supported past fundraisers for the cemetery and made the cemetery "a nice place to visit".

Scatter seeds
of kindness
wherever you go

(one per side) handle the two large beds beside the front stairs. We are hoping to receive a lot of calls next week with people wanting to help out. Please call Roseanne at the parish office – Tuesday to Thursday – and she will get a list organized.

Seeds of Kindness were indeed scattered this past week on the parish grounds. Special thanks to **Marilyn Schroeder** and **Hilda St. Cyr** for all their wonderful efforts and hard work planting the outside flowers. As many of you who are reading this right now know, gardening is indeed a lot of hard work. And now we need some parishioners to step-up and help out with our gardening efforts. It would make the work that much lighter if "teams of people" took on certain areas within the church grounds. i.e two people look after the large planters; two people look after the grotto; two people look after the oval shaped front bed; and four people
